Foreword

"It is now your world to deal with as you may," a line we have all heard in some form or way, will be echoing through our minds for many days to come. For as we start out now our options are at the highest peak. We have so much to look forward to; so many decisions . . . so many roads to choose from. And so many dreams to carry down those roads.

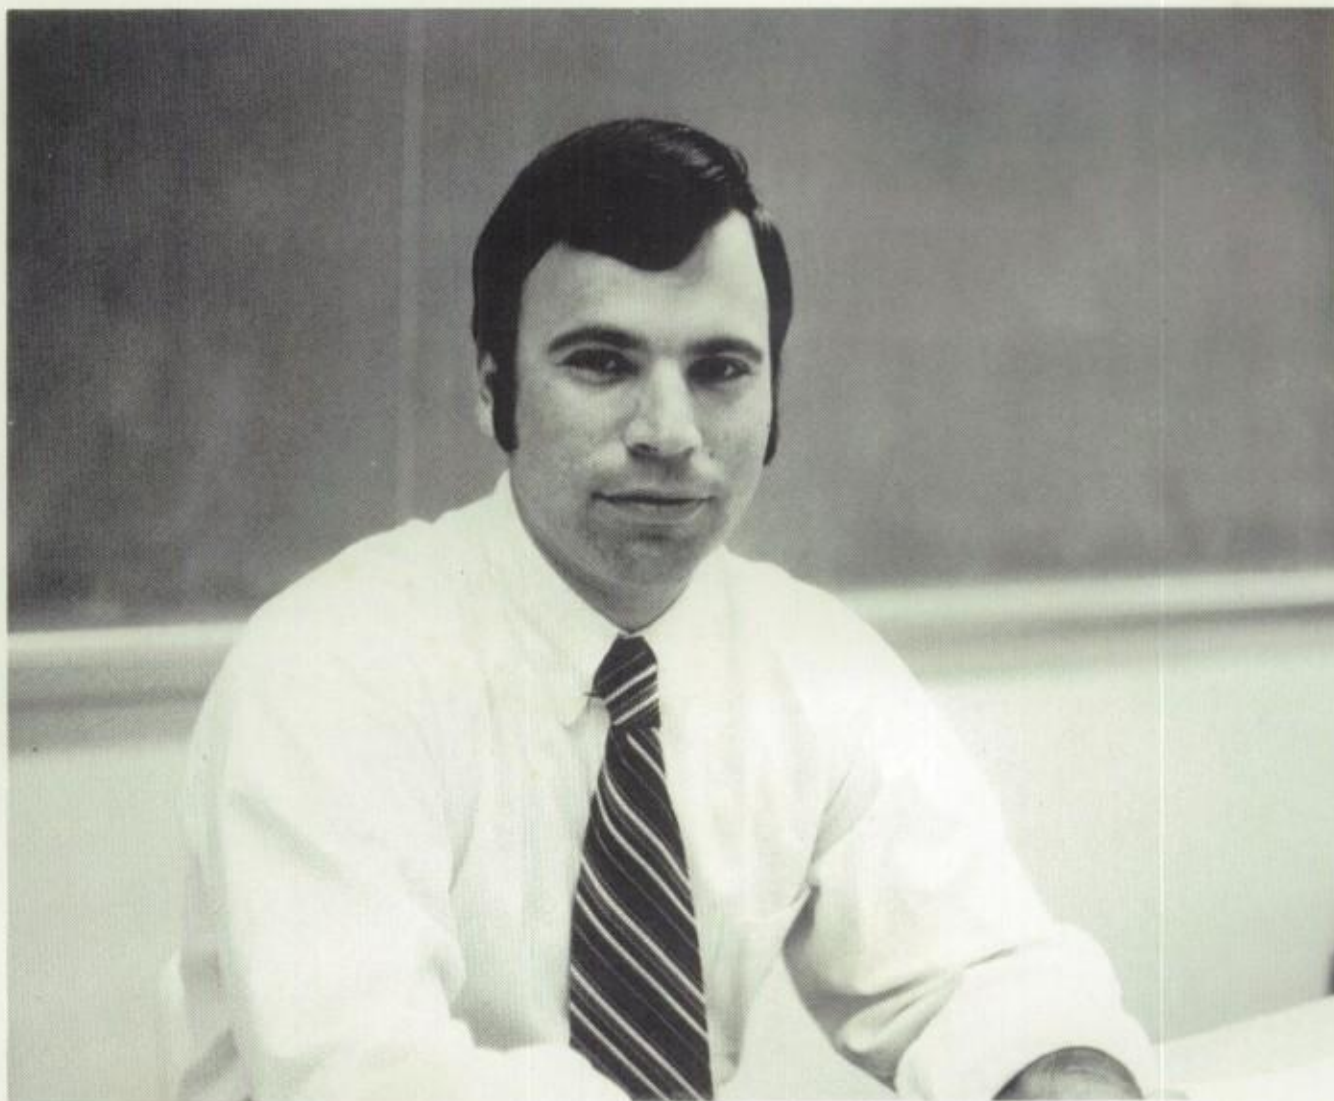

The roads we choose to follow from here are long with possibilities and wide wide with options.

There are new roads we will help explore
old roads we will help repair
narrow roads we will help widen
and most important . . .

There are places void of any roads at all; places where we will help build roads.

Starry-eyed idealists we are not, because today's dreams may well be tomorrow's realities. And to keep these thoughts and dreams in mind while beginning our journey down life's roads, is to look at our own power and abilities with imagination, foresight, and optimism. Yes, it is our world. And we shall walk into it with the kind of courage and determination no generation has ever seen.

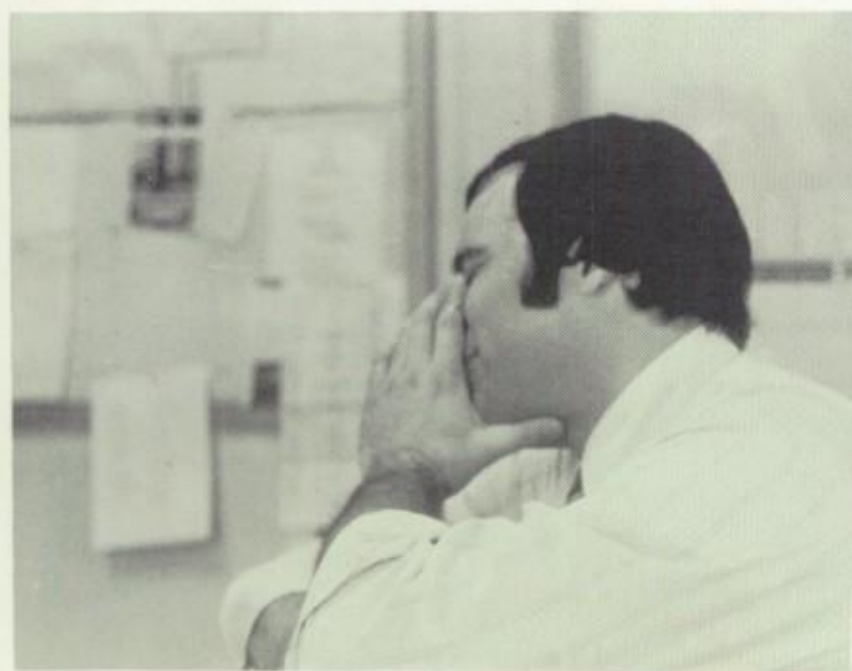

Dedication

Communication is a word easily defined, yet a concept difficult to practice. Communication is the key to understanding which can unlock the door to all the problems and gaps our generation knows. And when one unique person has mastered communication so well as to break all the barriers we encounter, it is a person well worthy of the highest recognition we can give. The level of communication you have reached with us is one so high and so strong, that it will serve as an example to us for the rest of our lives.

You taught us with openmindedness and unfailing effort and interest, you guided us with personal involvement and understanding, and you befriended us with your warmth and unforgettable humor. You gave us your ideals and opinions freely, but never with arbitrary latitudes of right and wrong. You gave us the facts, and allowed us to arrive at our own conclusions. You gave us the respect as young adults we are so often deprived of at our age. You gave us so much of yourself, and in return you expected only that we understood the importance and significance of education.

We the class of 72, offer you this dedication, not in return for all you have done for us, but as a small representation of our immense thanks and gratitude . . . for no one act can give to you what you have given us. As our teacher, coach, counselor, and friend . . . we dedicate the 1972 Saga to you, Mr. Michael Goetz.

in memoriam . . .

Mrs. Antoinette Martz

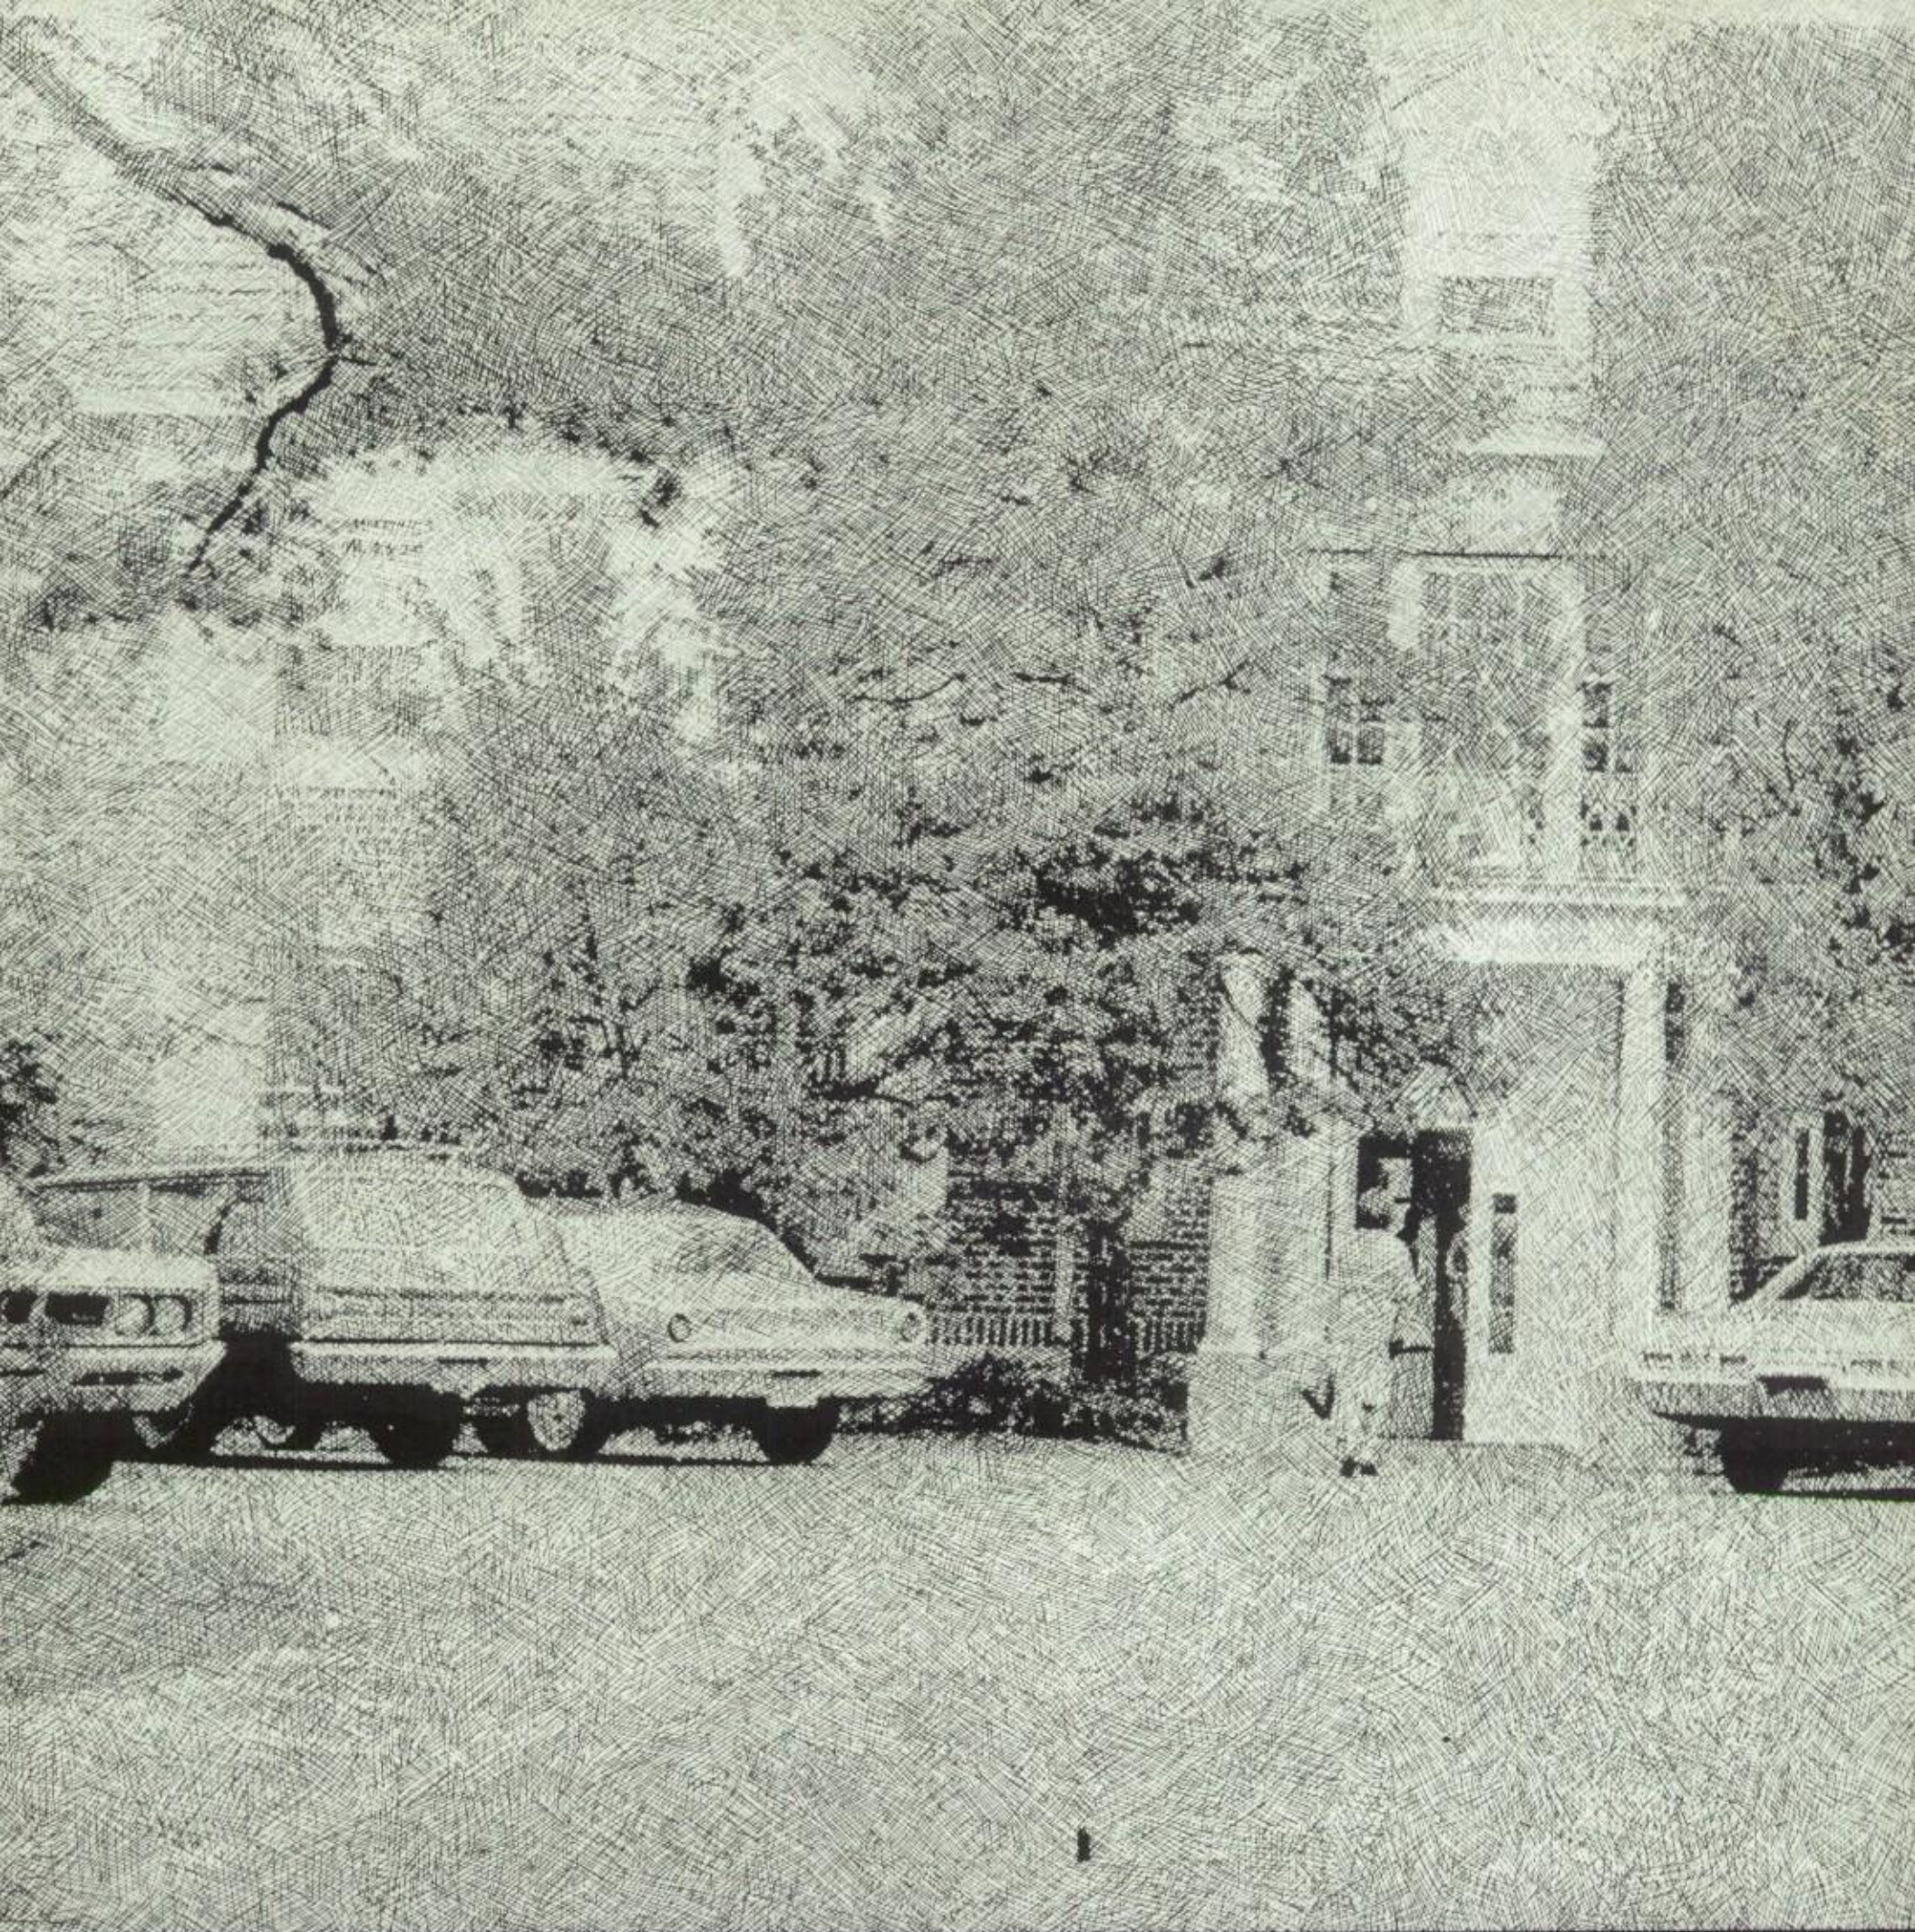

Catherine Ann Kingery

Cathy Kingery's memory will remain an inspiration to those of us who knew and were close to her. She will always be remembered for her warmth, sincerity, and friendliness...and for the unfaltering courage she had. The kind of courage that few people are capable of showing. Many in Cathy's graduating class will think of her often. For as we leave Clarkstown, a part of Cathy leaves with us...in our hearts.

"I watch thee from the quiet shore;
Thy spirit up to mine can reach;
But in dear words of human speech
We two communicate no more."

To the Class of '72:

I have greatly enjoyed this year, my first at Clarkstown High School North. It has been a rewarding experience for me to have come into contact with many of you who are now graduating. The year has been a fruitful one in many ways — we have won innumerable plaudits in the academic and sports arenas. We have carried on some of the cherished traditions of our school, and introduced some innovations. I hope, as you leave our school to pursue your interests, you will take with you a sense of pride and achievement because of who you have been in contact with, and what you have been a part of, at Clarkstown High School North.

Your life is your own to develop as you will. It is my sincere desire, however, that the high values your parents and teachers have tried to instill within you throughout the years will help each of you to develop into truly outstanding citizens of our community, nation, and world. Good Luck!

Sincerely,
Tercizio Binotto,

VARSITY FOOTBALL

Coach Lou Toscano

The 1971 football squad, spurred on by the intense spirit of a promising season, turned in the best Clarkstown football record in eight years. Because of injuries suffered by several key players, the team lost an even better record. Despite the handicaps, the team gave a fine showing the rest of the season. This was evident in the North Rockland and Spring Valley games where the Rams gave their finest performances.

COACH DENNIS POZAR

Clarkstown Soccer has a long winning tradition and the 1971 squad is no exception compiling a 12-1-2 record. The team easily could have given up after suffering a defeat at the hands of North Rockland but instead they showed that they possessed the poise and determination needed to come back and win a share of the 1971 Section 9 Championship. The team's most exciting games were both 2-1 wins over a strong Washington club and the two ties, both with Nyack. After a total of 150 minutes both team scored 2 goals. With the return of many lettermen the Rams are assured of successful seasons ahead.

First Row: B. Owen, J. Ryan, R. Maus. Second Row: M. Fleiger, B. Levin, D. McCormic, B. Benson. Third Row: B. Corley, S. Greene, D. Wooley, M. Murphy.

The Ram 1971 Cross Country team closed its season with a fine 8-5 slate. While this record is not in itself astounding, the time and effort put into achieving it was.

The Harriers were hurt severely through graduation, leaving only one returning varsity letterman. The young Ram team had to make up in desire what they lacked in experience. After many long hard workouts, the squad had not only caught up with, but surpassed teams with much more talent.

Coach Cooney came out of retirement to lead the runners, under his guidance the squad once again made Clarkstown a respected name in Cross Country.

VARSITY TENNIS

First Row: J. Strauss, L. Fein, A. Trager. Second Row: Coach John McGalagly, S. Pearlstein, E. Speigel, G. Shaver, J. Hancock.

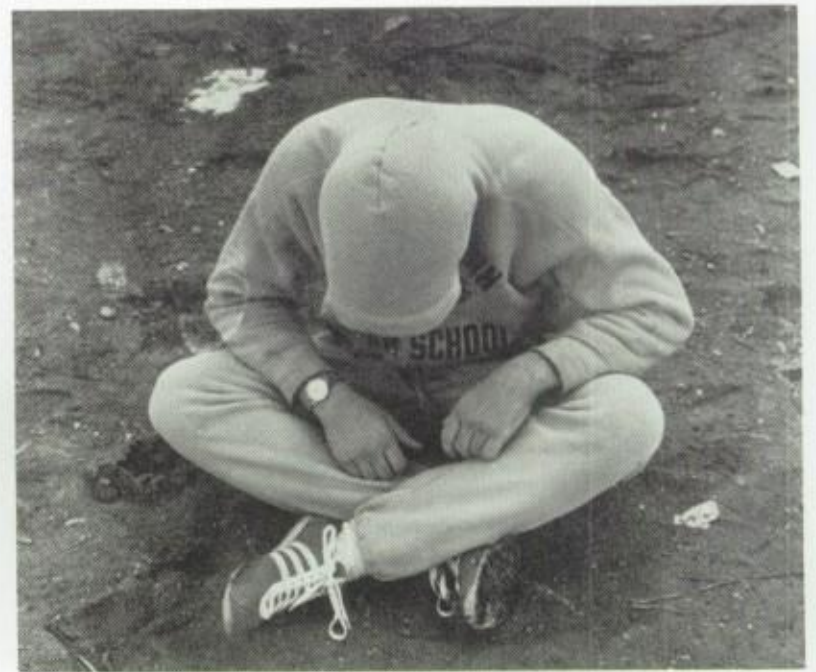

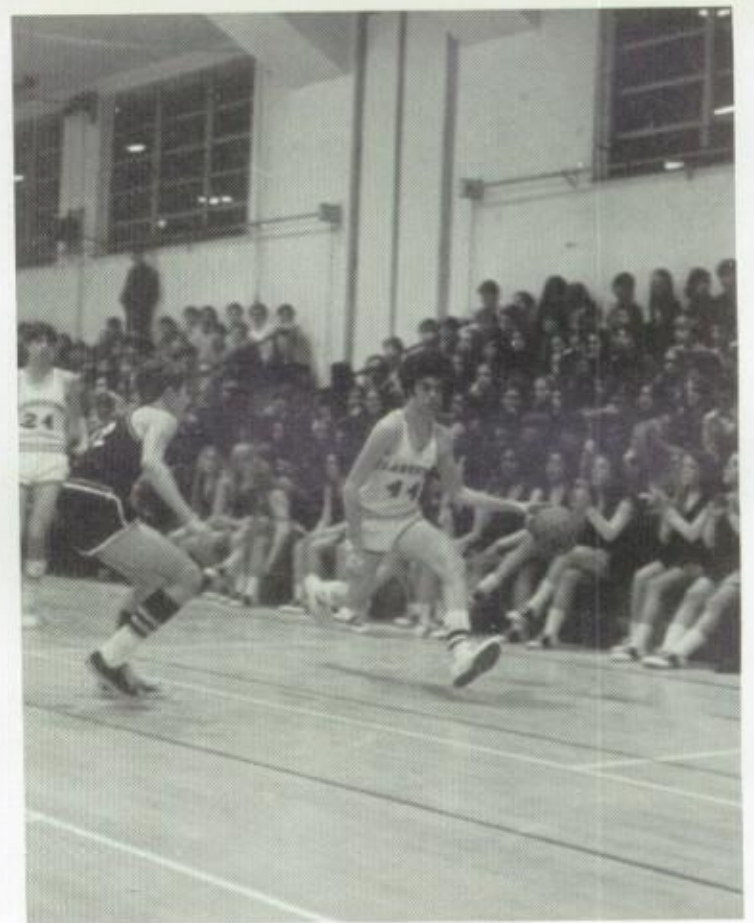

This year's tennis team compiled one of the best season record in C.H.S. history. The netmen pulled a 12-2 record as a result of diligent practice throughout the summer. The Rams, known for their speed and determination, lost only to a strong Ramapo squad. Led by coach John McGalagly, a former tennis star in the collegiate ranks, the team matured in all aspects of the sport.

Second Row: Coach Ed McGrath, B. Albanese, T. Holstein, M. Fuchs, J. Mott, B. Groves, G. Kaplan, J. Finnegan, B. McHale. Missing: B. Keyes.

The Clarkstown basketball team, for the first time in the history of the school, clinched the Section 9 championship. The Rams surpassed the pattern of excellence which has become an established tradition at Clarkstown. The squad's all around superiority and competence was repeatedly demonstrated during the course of the season, with decisive victories over Spring Valley, Middletown and North Rockland, their toughest competition. Coach McGrath fired up his unbeatable starting five, who were strongly supported by talented men on the bench. Spectator enthusiasm added significantly to the morale and excitement of the games. The 1972 Ram Basketball Team was the most successful ever, with an 18-0 PSAL record, the Section 9 title, and ranking in the top ten of New York State schools.

This year's Ram grapplers completed a tremendous schedule achieving a record of eleven wins, three losses and finished in third place in the PSAL. Despite the loss of some key members through graduation, the team put together an excellent season. With veteran coach Eccher leading the way, the team attained one of the best positions in the county standings the school has had in recent years.

This year's unsung heroes, the winter trackmen, braved the ice and cold during the long winter months. Although it is not a letter sport, the team put in as much effort and determination as it could. The sport served a dual purpose—it provided the participants with an interesting alternative to the usual winter sports and allowed the spring trackmen a chance to build up their strength. The culmination of the season was a fine showing at the West Point meet.

FATHER-DAUGHTER PLAYDAY

Fathers Are Special People . . .

There is not a man living, however poor he may be, but has it in his power to leave as a heritage to those that follow him the grandest thing on earth—character . . .

Fun-loving
Affectionate
Tactful
Heroic
Ernest
Reasonable, righteous,
responsible

. . . sometimes we can't comprehend or fully realize the unexpected "little things" they do . . .

FIELD HOCKEY

First Row: Nancy Anderson, Liz Sullivan, Cindi Wanamaker, Kathy Hancock, Co-captain Anne Baumann. Second Row: Peggy Yuda, Lois Rudden, Sue Bonenfant, Gail Berger, Joyce DiCenso, Sandy Peterson, Amy Sikora. Third Row: Coach Kindlinger, Co-captain Tracee Olver, Roz Polak, Mary Peters, Eileen Brady, Anne Oliva, Kathie Jones.

UNDEFEATED!

Field Hockey . . .

laps around the track before practice; drills; scrimmages; drills; "Keep your stick DOWN!"; Starting all over again; "Little steps! Little steps!"; drills; "SWITCH!"; a fun-loving, merciless coach; drills; Hermie; cracking each other up; drills; feeling you must be insane to be doing this; drills; wind-sprints after practice; exhaustion.

But through all the dust and sweat and tears came the glory: Clarkstown's fourth consecutive undefeated season. And the sweetest triumph was never having been scored upon. Not once.

SOCCER

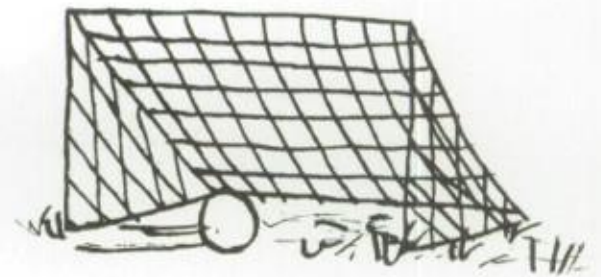

First Row: Sheryl Adelman, Clara Silvestie, Debbie Zimmerman, Marie Schmidt, Kathy Matejka, Miriam Morales, Kathy Nueman, Beth Renella. Second Row: Amy Cohen, Holly Weissman, Laurie Schneider, Mary Christie, Rita Natale, Lois Botto,

Holly Wilder, Carol Pestone. Third Row: Coach McEwan, Karen Cross, Monica Kelly, Leslie Hanson, Maria Fersch, Valerie Holdt, Marianne Adelfio, Betsy Cain, Karen McCormack. Missing: Maureen Werner.

RAMETTES

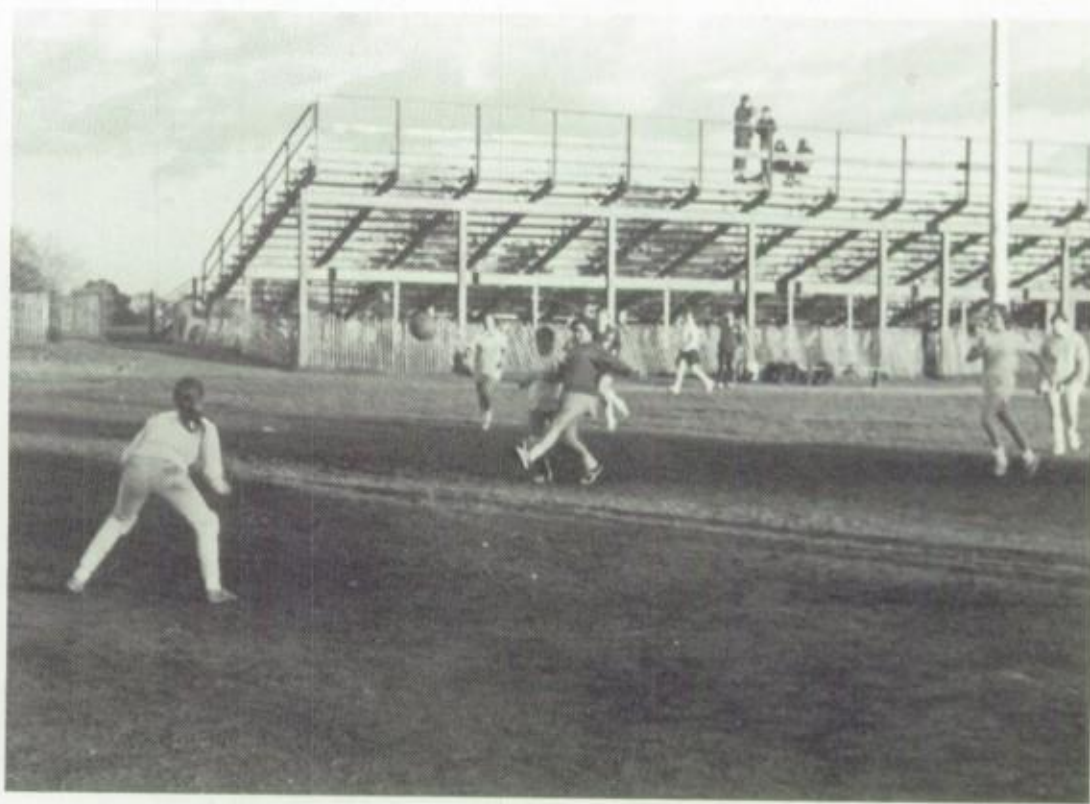

Trying is the key to reaching individual and team potential.

*Hi Donald
I've been really
not getting to
you this
year. Sitting in Math
behind you in Beebe
class, laughing at him, trying
to figure out the math problems.
Garry, playing tennis
to Don & for the summer
you and me, this summer
and me, taking lessons
and you, deciding to come.*

Soccer...

starting with absolutely nothing and ending up with the best in the county. Getting lost in the mud. Fighting the boys for the field. Trying to get psyched up for a game. Playing the boys' JV and losing decidedly. Coming back from a practice or a game, tired, dirty and feeling good when it was over, with the 4-0-1 record.

BASKETBALL

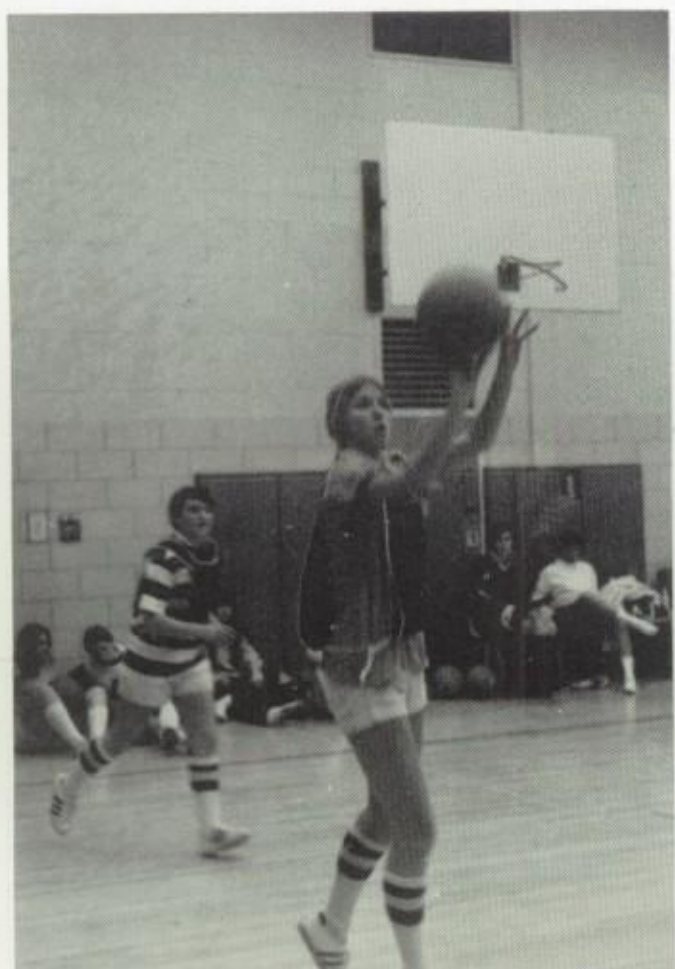

Back: Mary Peters, Miss Kindlinger — Coach, Tracee Olver, Sue Bonenfant. Middle: Annie Baumann, Kathy Hancock. Front: Eileen Brady.

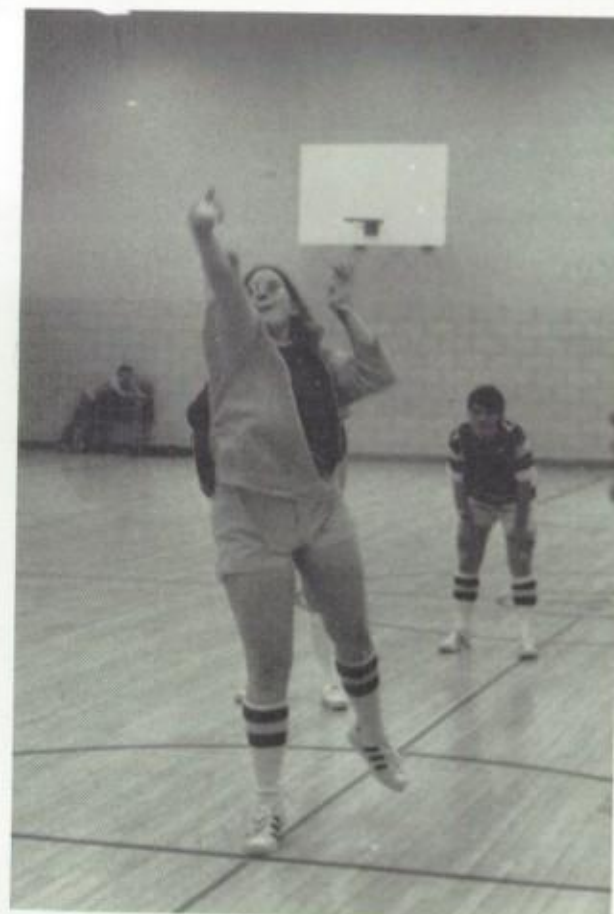

Donna Ashenberg, Janice Lotito, Sandy Peterson, Kathie Jones, Captain Kate McGuiness, Amy Sikora, Liz O'Bryan, Kathy Matejka, Karen McCormack.

... giving all, it seems ... is not so far from victory ...

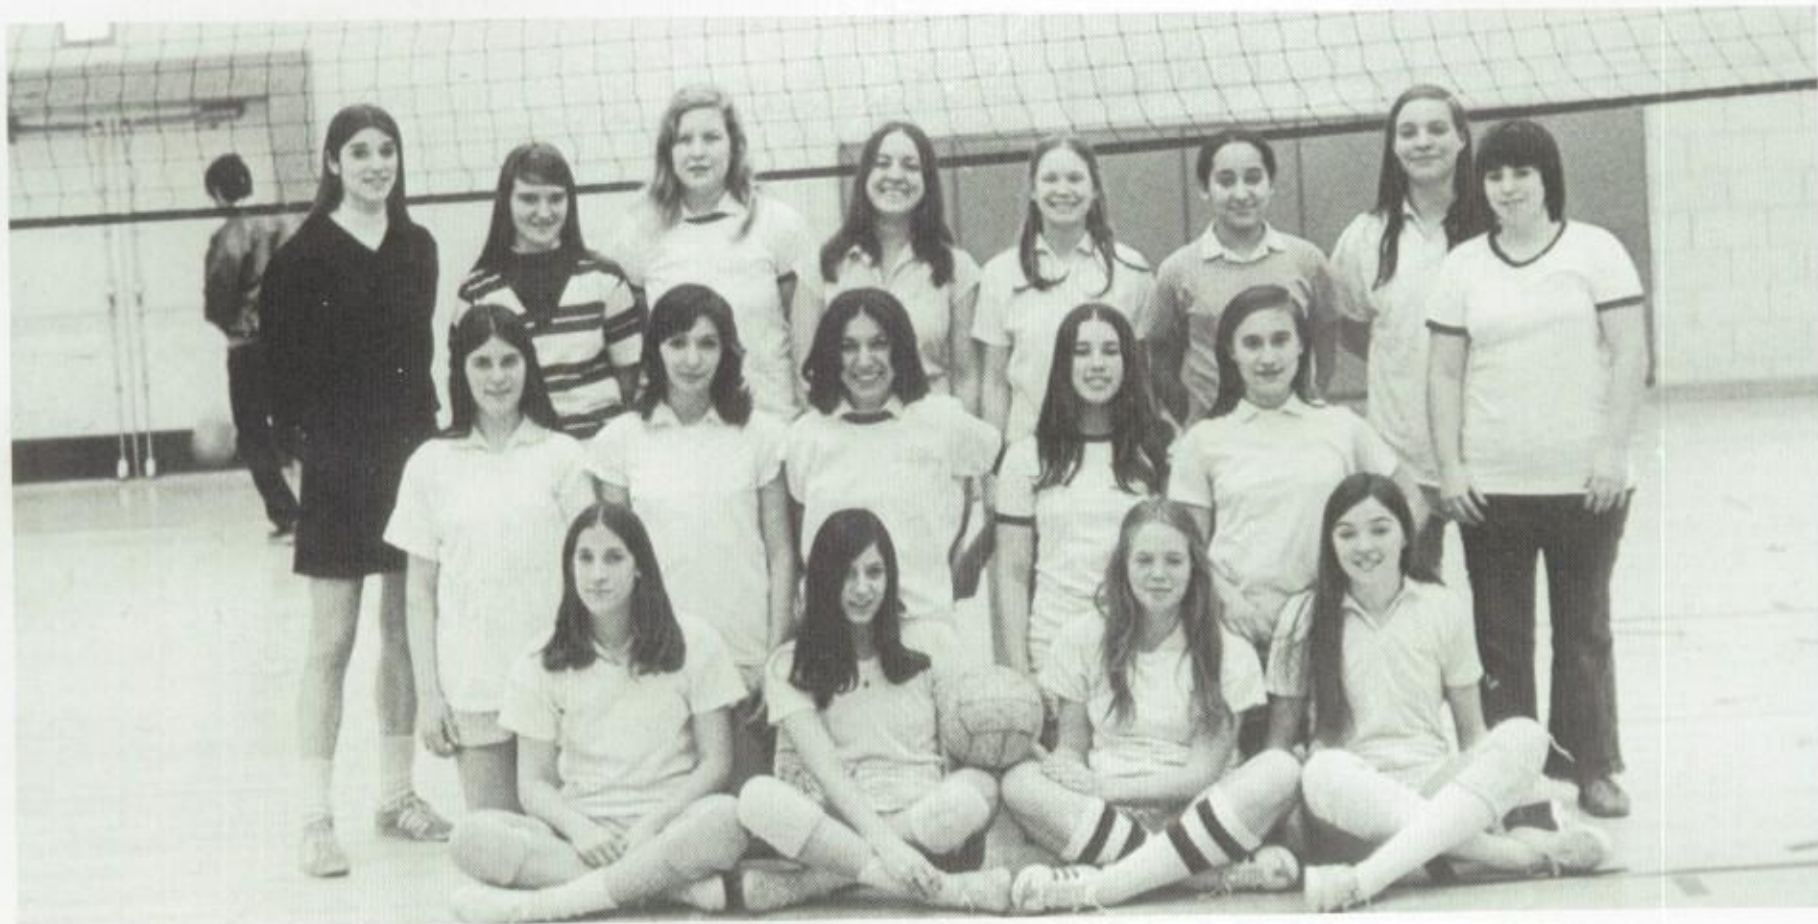

Basketball...

trying to find a gym to practice in; and when we did get one, those practices that seemed to end; our A-#1 look-cool-by-touching-the-basket drill (alias look-cool-by-trying-to-touch-the-basket drill); the rush-in layups; and the nicknames our fun-loving, merciless coach gave us; wearing out Rasputin; sometimes the best part of a game was the performance of our own brand of cheerleaders; finding out the bitterness of defeat as well as the sweetness of victory: 6-4 varsity; 10-1 junior varsity.

VOLLEYBALL

Front: Kitty Walker, Roz Polak, Eileen Brady, Mary Peters. Middle: Patty Cannon, Sue Vinnaccia, Elissa Pintauro, Lois Botto, Annie Baumann. Back: Mrs. McEwan—Coach, Sue Bonenfant, Tracee Olver, Valerie Holdt, Nancy Anderson, Miriam Morales, Amy Sikora, Cindi Wanamaker.

Volleyball...

waiting to get the gym after intramurals; the laps, the push-ups, and the push-offs before practice; spending more time on the floor than on our feet; getting your nose caught in the net at a spike; missing a set and getting hit in the net coming down from an unsuccessful attempt face by the ball; feeling good all over when finally doing something right; feeling great when realizing that the team, as one, finally did the right thing, *together*.

Dear Donald,
 If you're as big a
 success next year as you were
 "West Side Story", you won't
 have any problems at all.
 Good Luck!

Long Promised Road

So hard to answer future's riddle
When ahead is seeming so far
 behind
So hard to laugh a child-like
 giggle
When the tears start to torture
 my mind
So hard to shed the life of before
To let my soul automatically soar
But I hit hard at the battle
 that's confronting me
Knock down all the roadblocks
 stumbling me
Throw off all the shackles that
 are binding me down
Sew up the wounds of evolution
And the now starts to get in
 my way
So what if life's a revelation
If the mind speaks only of today
So real, the pain of growing
 in soul
Of climbing up to reality's goal

But I hit hard at the battle
that's confronting me
Knock down all the roadblocks
stumbling me
Throw off all the shackles that
are binding me down
Long promised road
Trail starts at dawn
Carries on to the season's ending
Long promised road
Flows to the source, gentle
force never ending
So hard to lift the jeweled sceptre
When the weight turns a smile
to a frown
So hard to drink of passion
nectar
When the taste of life is holding
me down
So hard to plant the seed of
reform
To set my sights on defeating
the storm
But I hit hard at the battle
that's confronting me
Knock down all the roadblocks
stumbling me
Throw off all the shackles that
are binding me down

"Bored? I've never been so interested in my life."

"But I can't quite make out that last word."

"But *honestly*, it was only a little bit of rum."

"That's the last time I sit down on a radiator!"

"So then I said, 'Listen, Binotto' . . ."

"And while you're there, get me a club burger and hold the onions."

"And when you finish the windows . . ."

"Sign him up, Mrs. Mott!"

"They want *me* to go in for Mathias?"

"Not until you apologize."

"Eat your heart out Sophia."

"O.K., tweeze them and get it over with."

"So you say it's good stuff, huh?"

"Simon says, hands on knees."

"Ain't nuthin' but a hound dog."

"See Dick. See Puff. See Puff attack Dick."

"Up in the sky; it's a bird, it's a plane, it's a . . . giant spitball?"

"Our group had 42% fewer cavities."

"There must be *some* way to get out of Calculus BC."

"Try it, you'll like it."

"I tried it and I thought I was gonna die."

"Are you sure this is how Twiggy got started?"

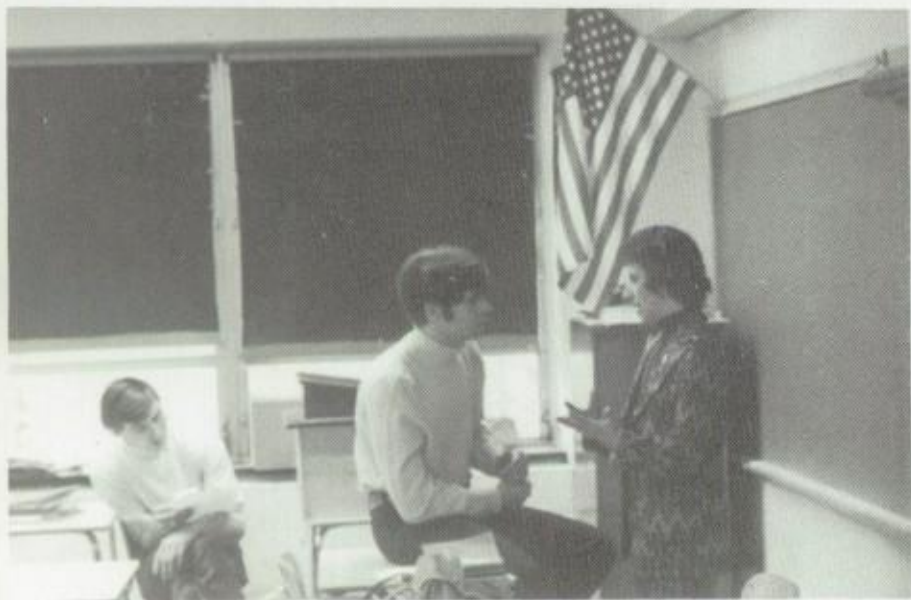

"I wish I would remember who I was supposed to cross off."

"Just go ahead and try it."

"Attendance? Why don't you try Carrol's?"

"But Bill, we can't go on meeting like this."

"These are pretty good cigars, Dr. B."

"Come on Brute, get to the dirty part."

"You mean there's *really* a camera in that umbrella?"

"I *know* they said, 'Bury the Rams', but *this* is outrageous."

"And then, after he comes down the chimney at midnight..."

It takes PEOPLE

with the knowledge, understanding
and willingness to serve you

Automation has revolutionized much of our society, but yearbooks still require much individual attention. T. O'Toole and Sons, one of the first printers in the nation to produce yearbooks by offset brings to you progressive ideas tempered by experience and a reputation for painstaking workmanship. Our factory trained sales staff is always available for individual advice. Because of their back-

grounds in the printing industry these representatives can easily solve any problems you may encounter with yearbook production—themes, layout, use of color, fitting copy, line drawings, advertising, proofreading and photography. Our modern plant extends a constant invitation to yearbook staffs and their advisors. Feel free to stop in at any time for an introduction to today's printing.
